

Class	Subclass
-------	----------

A black and white photograph showing a highly textured, granular surface. The texture is composed of numerous small, dark, irregular spots and fibers scattered across a lighter background, creating a complex, almost abstract pattern. The lighting is somewhat uneven, with brighter areas towards the top and darker, more shadowed regions towards the bottom, emphasizing the three-dimensional quality of the surface. The overall appearance is reminiscent of a close-up of a rough wall, a piece of coarse fabric, or perhaps a microscopic view of a material.
